DART's Adopt-A-Shelter Program Continues to Grow – DART's 2011 Adopt-A-Shelter program to enlist community and business partnerships to adopt and help maintain bus shelters throughout the State is attracting more and more partners. DART believes that these partnerships will result in more attractive and cleaner shelter environments for our customers while also reducing the number of incidents and associated costs of vandalism. It is also an opportunity for individuals and/or groups to be publicly recognized for their contribution to the community. Currently, we are pleased to announce that we now have 11 Shelter partners.
